

EXECUTIVE OVERVIEW & GUIDE

RoamMeet: Admin & Moderation Portal

Complete guide to the platform governance center: Revenue metrics, KYC identity approvals, and Anti-Bypass security enforcement.

Confidential Partner Gate & Master PIN

To protect your business revenue, fee earnings, and users' private KYC identity documents, the Admin Portal is completely hidden from the public and secured with a **Master Partner PIN**.

Direct URL: <https://roammeet.vercel.app/admin>

Master Partner PIN: 260689

Once unlocked, your session remains active until you click "Lock Portal" or close your browser. Unauthorized visitors who open /admin cannot see any company data without entering this PIN.

Core Modules Built in the Admin Portal

Revenue Engine \$1 / ₹79 Flat

Real-time counter tracking flat micro-fees (\$1.00 USD / ₹79.00 INR) collected per confirmed booking, gross marketplace volume, and currency toggles.

KYC Verification

Review submitted Government IDs (Aadhaar, Passport, DL) & live camera selfies. 1-click "Approve & Issue Badge" or "Reject".

Zero Fake Profiles

Anti-Bypass Audit

Audit log of all intercepted attempts where users tried to share phone numbers, WhatsApp links, Instagram IDs, or UPI tags before booking.

Zero Fee Leakage

## Key Capabilities to Review with Stakeholders

### 1. Real-Time Fee Collection & Escrow

- Platform fee is locked at **\$1.00 USD or ₹79.00 INR** for stays and paid events.
- **100% Free** for Travel Buddy meetups to drive viral community growth.
- Bilateral trust: Sensitive host contact details remain locked until fees are settled.

### 2. 4-Tier Trust & KYC Governance

- **Tier 1:** Email & Phone OTP verification.
- **Tier 2:** Live biometric camera selfie match.
- **Tier 3:** Government ID verification (Aadhaar / Passport / DL).
- **Tier 4:** Social proof & bilateral reviews.
